PROFILE

Dedicated and detail-oriented Cyber Threat Intelligence Analyst with experience monitoring threats and extracting intelligence to uncover unknown vulnerabilities. Skilled in identifying potential risks and developing preliminary defensive measures to protect IT assets from attacks. Additionally, experienced in backend development, contributing to secure system and application integration. Eager to leverage my growing expertise in a challenging role to enhance the security posture of a forward-thinking organization.

PROFESSIONAL EXPERIENCE

Cybersecurity Intern <i>Information Technology Institute (ITI)</i>	2023/10 – 2024/06
<ul style="list-style-type: none">Completed the Cybersecurity Foundation course, focusing on fundamental concepts and practices in cybersecurity.Demonstrated proficiency in cybersecurity principles by passing the ITI exam.Applied theoretical knowledge in practical scenarios during the BootCamp, preparing for the Cyber Talents CTF competition.Collaborated with a team to analyze and mitigate security challenges in the CTF competition.Attained a high score in the CTF competition, showcasing problem-solving and technical skills.Qualified for the final stage and received a voucher for the EC-Council CTIA exam.Currently preparing for the international CTIA exam, further solidifying cybersecurity expertise.	

EDUCATION

B.Sc. Computer Science & Information System <i>Helwan University</i> GPA: 3.5 - Excellent	2020 – 2024
--	-------------

LANGUAGES

English B2	German A1
----------------------	---------------------

SKILLS

Programming Language: <i>Python, C, C++, Java, JavaScript</i>	Cybersecurity: <i>Threat Intelligence Analysis, Vulnerability Assessment, OSINT, Digital Forensics</i>
Backend Development: <i>Node.js, MongoDB, API Development, Secure Coding Practices, Database Management</i>	Soft Skills: <i>Analytical Thinking, Problem Solving, Team Collaboration, Effective Communication</i>
Data Analysis & ML: <i>PowerBI, Regression Models</i>	

CERTIFICATES

- ITI cybersecurity foundation 
- Network Virtualization Concepts 
- Certified Threat Intelligence Analyst (CTIA) evaluation 
- Cloud and Virtualization Concepts 
- CyberTalents Bootcamp
